

Staff Mobile App

Entab, the pioneer in school ERP segment in India, has recently announced the launching of mobile app for School Staff besides the Parent App for SJC Allahabad. We could develop such a robust and quality solutions in School Arena, because of the continued support and confidence shown to us by our associated schools. This high end staff mobile app through its ERP software integrates all the operations seamlessly. It's user friendly approach comes handy for teachers in discharging their day to day activities comfortably. Now school staff can freely download the app from play store/ app store and access the portal by entering the URL and Login Credentials. Staff mobile app provides simple and convenient user interface, high performance speed, high end security and it takes care of both inter and intra communications. Now staff can access the following most attractive features on touch points.

- **Circulars:-** Keep you informed by easy access of circulars issued by school.
- **News & events:-** Keep you updated about news and events of the day, planned events and events organized in past.
- **Salary details:-** Salary details of complete financial year can be viewed, month wise consolidated as well as monthly head wise.
- **Library details:-** Featured with my transactions(issue/return), Book reservation, request for a book, new arrivals and book searching.
- **Leave & attendance details:-** Total accountability of leaves taken, leaves available and also request for new leaves.
- **Birthday List:-** Student birthdays can be viewed and also wish them through internal messaging facility.
- **Holiday List:-** View holiday list of school defined in staff calendar.
- **Staff directory:-** Access team information, search other staff members and send internal message, if need be.

Academic Activities:-

Staff mobile app provides easy access to following academic activities also:-

- **Assignment, activity, project, homework** can be easily uploaded for your class and subjects. Moreover staff can take a snap of homework/assignment and upload it and further it can be viewed/accessed by parents through parent app or portal
- Class teacher can **mark attendance** conveniently for their classes.
- **Complete communication system**, Internal Messaging facility has been provided to send internal messages along with attachments to a group of students, parents, teachers or individuals
- **My class, My subject class, option made the control better:-** Staff can access his class and subjects also easily see the student details with student photo.
- Our dedicated team work tirelessly to provide you a better experience and place you in the best fit automation.
