

ART ASSOCIATION

Brushing the Soul's Silhouette

"An artist is like a prophet. He must lead people and help them get acquainted with what he sees."

- George Butendorf

Throughout the academic session 2025–26, the Art Association displayed exceptional creativity, dedication, and artistic excellence in beautifying the College campus and contributing significantly to numerous events at St. Joseph's College, Prayagraj. Through its imaginative craftsmanship and meticulous attention to detail, the Association played an indispensable role in enhancing the aesthetic appeal of every major occasion.

On 15 August 2025, in celebration of Independence Day, the Association designed an impressive bulletin board portraying the nation's eminent freedom fighters whose sacrifices shaped India's independence. The display, complemented by inspiring quotations, served as a fitting tribute to their enduring legacy.

At JOSEPHEST 2025, themed "Panchtatva Pantheon," the Art Association made a remarkable contribution to the success of the festival, particularly during the Opening Ceremony. Members designed and crafted the magnificent Gothic-style pedestal on which the championship trophy was displayed. They also created the artistic props for Expressions and prepared attractive banners representing the participating schools, adding colour and grandeur to the event.

The Association's talented artists also brought laurels to the College through their outstanding performances in various competitions at JOSEPHEST. Akshit Jaiswal and Priyanshu Kumar secured the First position in the Face Painting Competition, while Abhyas Kesarwani and Rizwan Rehman won the Third position in the Poster Making Competition. In November 2025, Priyanshu Kumar and Om Tripathi represented the College at Imagine Fest, organised by Bal Bharati School, Prayagraj, where they participated in the Mehndi Competition.

The Art Association once again demonstrated its creativity during the Post-Centenary XLI Annual Athletic Meet and P.T. Display by designing an attractive bulletin board and preparing the artistic props for the Opening Ceremony, thereby adding colour and vibrancy to the celebrations.

The achievements of the Association throughout the year stand as a testimony to the dedication, creativity, and untiring efforts of every member. I extend my heartfelt appreciation to all the office-bearers for their sincere commitment and express my deepest gratitude to our Chairpersons, Mrs. A. Joseph and Mrs. V. Paul, whose constant guidance and encouragement inspired us to strive for excellence.

As I conclude my tenure, I shall always remain grateful to my alma mater, St. Joseph's College, for nurturing my talents, shaping my personality, and providing me with countless opportunities to learn, create, and grow.

Priyanshu Kumar
President
